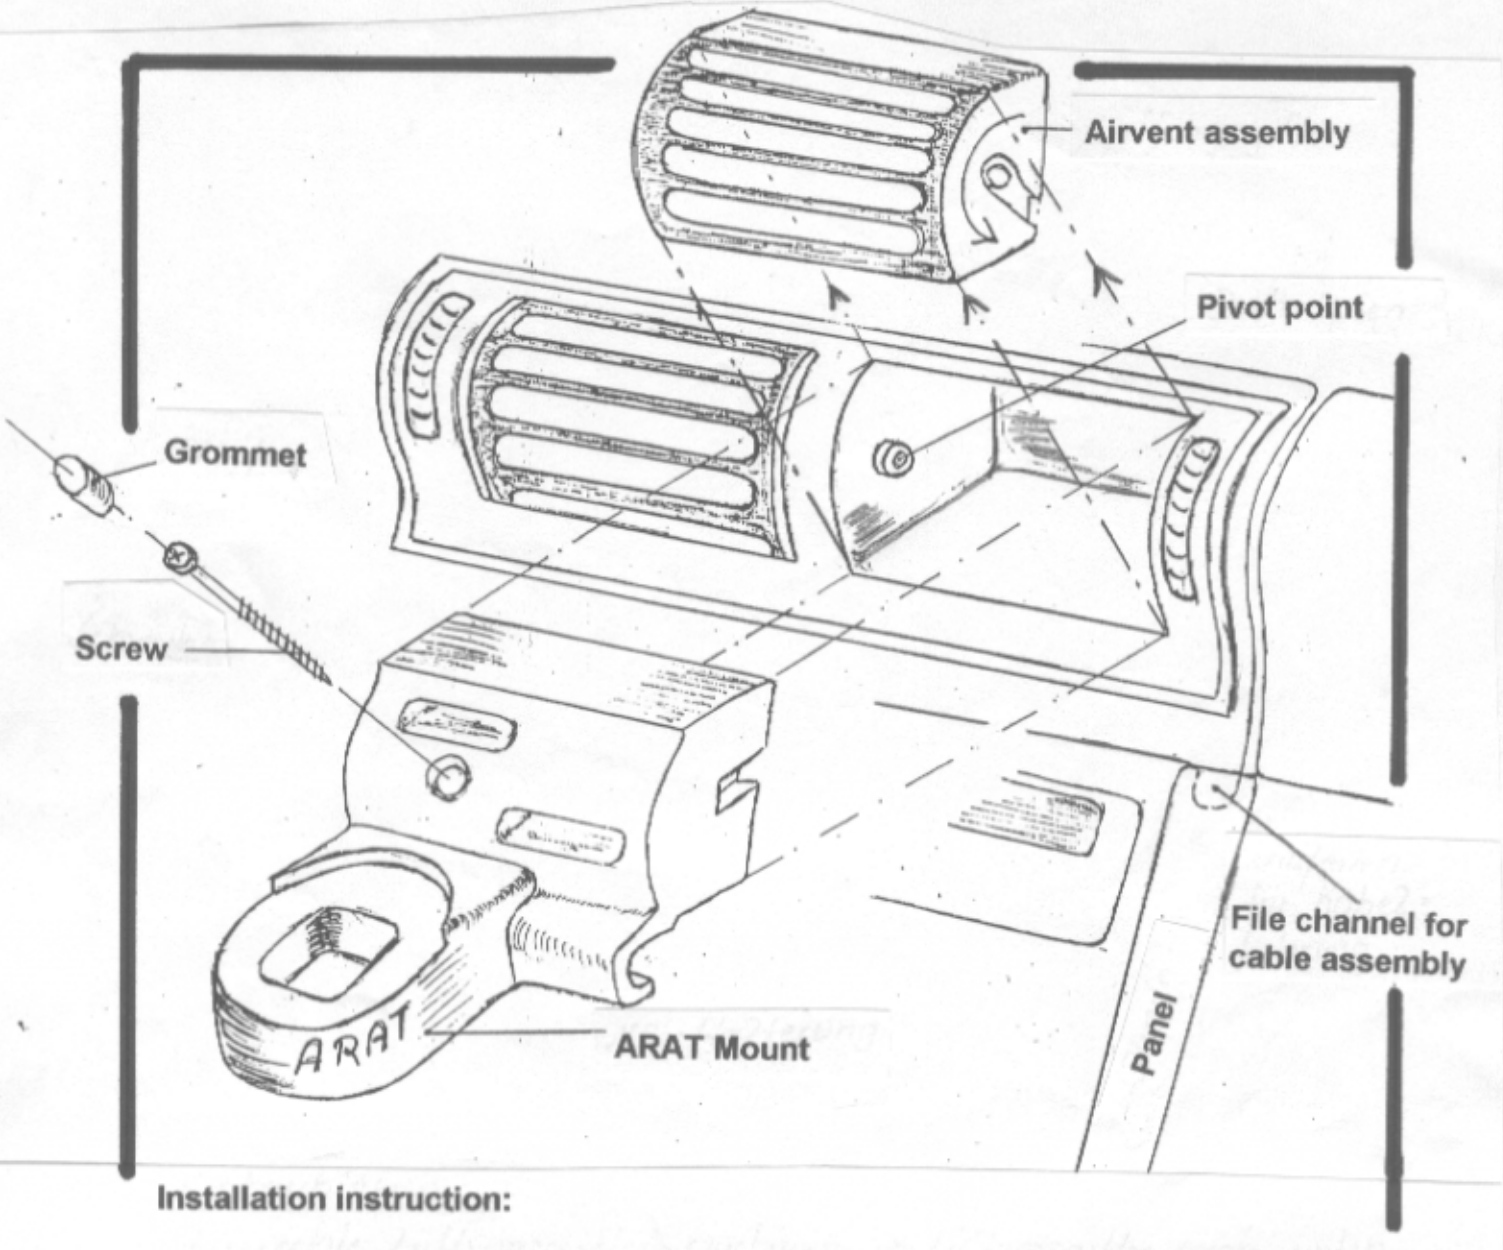
Installation instruction

ARAT Special mount for Navigation Systems

Artikel-Nr.: NS 1001.2
for BMW 5 series, E34
1989.....95



Installation instruction:

1. **Pull out and remove the airvent by rotating it downwards and prize it away from the rotation location pins**
2. **Place the ARAT mount in the airvent housing and screw the supplied screw through the mount into the dashboard (take care that no cables are in the way)**
3. **Place the grommet into the screw hole**
4. **If neccessary file a small channel in the panel and route the cable of the monitor through the mount also.**
